

Topic: Math

Title of Workshop: Teaching To The Standards – “Math Extended Response”

Presenter: Christine Wells

Date: January 8, 2007

Time: 4:00 p.m. – 6:00 p.m.

Location: Aux Sable Media Center

Target Audience: Grades 4-8 Math Teachers

Limited to: 25 Participants

Description: This workshop will help to better prepare teachers as they learn how to incorporate extended response into their classroom. We will utilize the most recent ISAT information to help teachers meet the needs of all students. This will include a review of general guidelines, tools and strategies, and more when teaching extended response.

Registration Dates: Nov. 1, 2006 – Dec. 22, 2006
(will be opened to tenured teachers after _Nov. 15, 2006)
