Dear District 202 Fifth Graders' Parents or Guardians:

We are pleased that you have chosen to enroll your student in the Plainfield CCSD 202 Band Program. We are proud that our program has been recognized for excellence on the local, state, and national levels. Congratulations on your decision!

The following presentation of September 9 (7pm, PSHS) and September 14 (7pm, PEHS), has been made available online for those parents who cannot attend in person, and as a resource for all Fifth Grade Band families. The band staff wants you to be an informed participant in this program. Please refer to the Table of Contents below.

We hope you will agree with us that our program provides, to paraphrase John Phillip Sousa, 'beauty and inspiration, intellectual stimulation, enjoyment of music and comradeship; fuel for the souls and spirits of our children.'

Sincerely yours,

Ms. Susan Blatz  
District Chair of Performing Arts
