

Yearbook Club Meeting Dates

Dear Parents and Guardians,

Your student has chosen to be on the Yearbook Club, a group of students that will plan and create the 2010-2011 Heritage Grove Yearbook! We are so excited to have your child participate! Please be aware that this is a year-long commitment. In addition to the above bi-monthly meetings of all of the members of the club, students will be asked to meet after school in small groups to work on specific jobs on which they were assigned. We will give those students those dates once the students have been given specific assignments. Again, we look forward to working with your students!

Thank you,

Miss Hentsch and Mr. Pape
