Dear Parents of Fifth Grade students:

This is an invitation to Heritage Grove Middle School's incoming 6th grade Parent Orientation Program for the 2011/2012 school year. We sincerely hope you can attend our school at 6:30 PM on Wednesday, May 11, 2011 for this orientation.

The orientation schedule is printed on the reverse of this letter. Please note that we are asking that you report to the specific location listed based on the first letter of your last name. There will be staff at the front door to assist you.

Our program will begin at 6:30 PM and we ask that you make every effort to arrive promptly. Your child will be attending an orientation at our school during the school day, so we ask that you try to attend this evening's orientation without children. Thank you for your cooperation.

On May 11, we will have several services available to you. Our PTO executive board will have a station to answer questions about parent involvement, volunteer and leadership opportunities. We plan on having order forms for school supply kits and Heritage Grove husky spirit wear as well. The school nurse will have a station to answer questions and provide forms for incoming 6th grade students. Information on medicine at school, physicals, and services provided by our nurse will be available.

We look forward to welcoming you into the Heritage Grove family. Our goal is to work closely with you to provide a cooperative and supportive environment where every child can learn. Together we can achieve this goal.

Sincerely,

Steve Diveley
Principal
