Message from the PTA Happy New Year!

We hope everyone had a great winter break. We have some very exciting news about the 5th and 4th grade projectors that we all raised money to install. The wiring is all completed and we are just waiting for the equipment to arrive. As soon as it is in, we will update you. This is so exciting! It will give the teachers access to additional resources, as well as provide them with other ways to teach a lesson. We are looking forward to seeing all of the advantages the projectors will provide for our students and teachers. Our next goal is to raise enough money to install projectors in the 3rd grade classroom. The cost of 3rd grade is \$8,000. PTA raises money by restaurant nights, family events, and our upcoming spring fundraiser. Thanks to all your support, we have been able to update and refresh our school by adding a playground addition, new sound system in the gym/multi-purpose room, and now projectors in the 4th & 5th grade classrooms.

The PTA also funds many school assemblies, three dollars per student for a field trip fund, ISAT snacks and supplies, and gifts for students who are hospitalized during the school year. The PTA funds the snack and the water for school parties. The PTA proudly sponsors 5th grade farewell for fifth grade students. The PTA hosts and funds the Teacher Welcome Back Breakfast at the beginning of the year and gladly supports Teacher Appreciation Week. We would like to thank you for your continued support which makes all of these events possible.

Thank you for your continued support! "Together We Can!"

Brrrrrrrrrr!!!!

Please make sure to send students to school with hats, scarves, gloves, boots, etc. Students will be going outside for recess unless temperature or wind chill falls below 20 degrees.
