

Athletic Registration Information

(Sophomores-Seniors)

Dear Parent:

For the 2008-2009 season, new forms are required by the IHSA. There is a new physical form that you can find attached. On this form the IHSA Steroid Testing Policy Consent to Random Testing is included. The student athlete and the parent/guardian must sign this consent.

If for some reason the 2008-2009 physical form is not used, the student-athlete and parent/guardian will have to turn in the consent form, which is also attached. More information about this policy can be found on this form and at <http://www.ihsa.org/initiatives/sportsMedicine/index.htm>.

Sports physicals are being given at Plainfield North High School on Thursday August 7th and Monday August 11th from 5:00-7:00 pm. The cost is \$25. Please enter through door X.

Please remember that a sports physical is good for one year, from the date given.

Please contact Anne Bardachowski in the athletic office with any questions at abardach@learningcommunity202.org or 815-609-6186. The Athletic office will be open starting August 5th.
