

Plainfield North Tigers Athletic Boosters Club

The Plainfield North Tigers Athletic Boosters Club needs the support of every adult to continue to build a tradition of excellence in athletics at Plainfield North High School. The Boosters Club's role is to provide support to the Athletic Department and coaches in obtaining items which are not provided for in their operating budgets.

We are able to do this through fundraisers throughout the year. We participate in fundraising activities such as concession sales, Plainfield North High School spirit wear sales, seasonal programs, golf outing, dinner dance, and other activities. These are a few examples of how we support our athletes, and we welcome other ideas.

What kinds of things will they provide for Plainfield North High School athletes?

Besides the usual support for the athletic programs, many challenges are being placed on our club to assist in the acquisition of items for the athletic department. The following are examples of some of the items we've provided:

- Protective mats for Cheer
- Fence guard for all baseball and softball fields
- Gator (a vehicle for transporting equipment and injured athletes)
- Costumes and show poms for Poms
- Indoor tennis nets
- Portable drinking station
- Volleyball Solo Spike training equipment
- Basketball baskets
- \$10,000 toward the construction of baseball and softball dugouts
- Stadium signs
- Athletic achievement display cases
- Athletic scholarships

In our first three years of existence, the Athletic Boosters Club has put more than \$71,000 back into the PNHS athletic program!

How can you get involved and help?

YOU will determine the club's continued success! Show your support by filling out the membership form and joining the Boosters. Get involved in our student athlete's success. Come to our meetings, share your ideas, and volunteer to help.

The Concession Stand

Why is this important? Selling concessions at events is typically the biggest fundraiser of most Boosters Clubs. Average annual revenue from these sales can reach \$20,000. During the year you may get a phone call asking you to work an event. This will help raise funds specifically for your child's sport.
