

Volunteers Needed

For

Jump Rope Competition

Beat a Dad at Jumping Rope!

We are in need of several Ridge Elementary parents to be judges in our, “Beat a Dad at Jumping Rope” competition on February 15th, 16th and 17th during the school day. Judges will simply count the number of times the rope passes under each participant’s feet during their two minute competition. All k-5 students will participate in this event as well as a team of Dads. Students who can’t jump rope yet will be allowed to jump over a stationary rope placed on the ground. Times we need judges for are listed below. Thanks so much for allowing this opportunity for our students!!!

Please email, call or write a note back with the following information.
