

# Middle School Bus Runs

Listed below are the bus runs for all Middle Schools.

Identify the runs that service your subdivision / neighborhood to locate the stop nearest your home.

The times listed are approximate. Please have children to the bus stops 10 minutes early the first few days.

Once pick up times are consistent, we ask that children arrive at bus stops 5 minutes prior to pick up, so route pick up times stay consistent for everyone on the route.

\*\*\* Please Note \*\*\* To implement a three- tier route system, which has a significant cost savings for the district, the district was required to shorten Middle School and High School routes and eliminate some stops to ensure that buses can deliver students to school and home in the time frame allowed.

Therefore, Middle and High School students this fall **may** have to walk between two-tenths and four-tenths of a mile to their bus stop. This is a slight increase from the current distance of two-tenths of a mile.

ROUTE ADJUSTMENTS ARE POSSIBLE DUE TO CONTINUED NEW STUDENT REGISTRATION.

THIS DOCUMENT WILL CONTINUE TO BE UPDATED ON THE DISTRICT WEBSITE: [WWW.PSD202.ORG](http://WWW.PSD202.ORG)
