

"Annie, Jr." Costumes and Props

Parents and Students,

As our musical performances are quickly approaching, we hope to have all costumes completed when we return from Winter Break. Most of your costumes can be found in your closets already! Please do not feel it is necessary to buy your costume; check with family, friends, and neighbors to find items you may borrow instead!

Please identify your character and find clothing that matches the criteria. During the month of January we will ask all cast members to check their costumes in with Ms. Hentsch, Ms. Wetzel, or student directors. Please bring in your costume and have it approved prior to January 15, 2010. Students who need help finding a costume must contact a director prior to January 8, 2010.
