

# Environmental Club

Thursday, September 8, 2011

Go Green! The Environmental Club will be offering a variety of eco friendly activities to Heritage Grove students this school year, from 3:00 to 3:45 p.m. on select Wednesday and Thursday afternoons (the meeting dates are listed on the bottom of the page). Our goal is to promote an eco friendly attitude and awareness students can share with friends and family that will last a lifetime. A few activities we have planned for this year will include adding to the landscaping around the school, promoting waste free lunches, fishing at the pond behind school, working with Conservation Plainfield to promote local environmental causes, and working towards 100% participation in recycling by staff and students.

Looking forward to a green year!

Please feel free to contact Mr. Stockey at school at 815-439-4810 or [wstockey@psd202.org](mailto:wstockey@psd202.org)
