

Dear Parent/Guardian,

Since lifelong success depends in part on self-discipline, the 6th grade Team B core subject teachers devised a discipline program. The program for the 6th grade affords every student guidance in making good decisions about his/her behavior and thus an opportunity to learn in a positive, nurturing class environment. Your child deserves the most positive educational climate possible for his/her growth. We look forward to an exciting school year. Please feel free to contact any one of us at Richard Ira Jones Middle School if you have any questions, comments, or concerns. Keep an eye out for the school newsletter too!

Each student should write assignments from all classes daily in his or her agenda book. The agenda book should have up-to-date assignments listed. We will be using www.schoolnotes.com, but please consult your student's agenda book as homework changes based on each class.
