RECIPIENT OF THE 2009 ACADEMIC IMPROVEMENT AWARD

April 2010

Dear Parent/Guardian of PNHS Seniors:

Before you know it we will be recognizing and honoring the Plainfield North High School graduating class of 2010. High school graduation is an exciting time for both students and their families. Graduation represents one set of goals accomplished and the opportunity to move on to the next stage in life. Leading up to the official graduation ceremony on May 29, we have several activities and events scheduled for our seniors. I have included a senior information sheet with this letter, and the updated information can also be found on our school web page (please check regularly).

The senior events listed have all be school approved, and school behavioral expectations will be in place for each of these events. As we move toward graduation, it is important for our seniors to pay close attention to school policies and procedures. It is unfortunate timing that at this point of the school year poor behavior choices could impact the joy of graduation and the celebration of scheduled events. Additionally, involvement in "senior pranks" or other poor choices which may result in suspension, could impact a student's participation in the graduation ceremony itself.

Our graduation ceremony is scheduled to be an event of recognition for a job well done. This event will be conducted as a formal ceremony. Our expectations for our graduates will be shared at multiple times before the ceremony itself. Your conduct during the ceremony is a great way to model positive supportive behavior to all of our graduates.

Our seniors have shown a great deal of class and respect this year. I fully expect this positive behavior to continue in our last few weeks of school and through the graduation ceremony.

Thank you for your continued support,

Raymond Epperson
Principal
PNHS
