

## ***Registration Information for the Incoming Freshman Class of 2016***

November 29, 2011

To the Parent(s)/Guardian(s) of PNHS Class of 2016:

It is with great enthusiasm that we welcome you and your student to the Plainfield North family! We would like to take this opportunity to share some exciting news with you regarding your student's transition to PNHS for the 2012-13 school year. Although freshman year may seem far off in the future, the course selection process is just around the corner.

Enclosed you will find a timeline of events that will surround the course selection process for the Class of 2016. You can find this information on the Student Services webpage by visiting Plainfield North's homepage. We will kick off course selections with Explorations Night for the Class of 2016 on January 19<sup>th</sup> at 6:00 p.m. for Ira Jones and at 7:00 p.m. for Heritage Grove and private school students.

Students who are currently attending Heritage Grove or Ira Jones will receive English, math, and science recommendations for 2012-13 prior to Explorations Night so that the recommendations can be discussed as a family before you attend Explorations Night. ***Recommendations are based on teacher input, current placement and grades, outcome assessment scores, ISAT and Discovery test scores, when available.*** If you have concerns regarding your student's 2012-13 course recommendations, department chairs will be available to assist you on Explorations Night with any necessary changes. Should you have any questions regarding the course selection process for your student, please feel free to contact your future PNHS counselor at 815-230-4500 using the following extensions:

<b><u>Last Name</u></b>	<b><u>Counselor</u></b>	<b><u>Extension</u></b>
A-Dil	Tom Scheaffer	835884
Dim-Hol	Suzanne Smiley	835883
Hom-Mit	Jeff Wagner	835882
Miu-Rx (ELL)	Karla Ortiz	835885
Ry-Z	Stacey Harrison	835880

We look forward to assisting you and your student with the transition to PNHS!

Sincerely,  
The Student Services Team
