

Business Culture Project Outline

In the Internet type in the name of your country (ex: China_ExecutivePlacent.com), and fill in five interesting facts from each of the following categories. You may shorten the facts, but don't lose the meaning of what you are trying to say. These facts will be used in your PowerPoint presentation in which you will describe the culture of the country you selected to research to your colleagues. After you create the presentation, you will present it to the class, so be sure to scan the information and pick interesting things to tell. The objective of this project is to learn about business cultures online and develop PowerPoint skills. Email your outline to your teacher at cboyd@learningcommunity202.org when completed.
