

NEW

Car Rider/Bus Rider

Procedures

Effective January 31st

Car rider drop off will now take place in front of the school (where bus drop off used to be). Please see the attached map for the traffic flow pattern. We do realize this may cause longer traffic back-ups on Bronk Road but safety for our staff directing traffic has become an issue. Please DO NOT drop off students anywhere other than the designated zone or walk through the traffic line or across Bronk Road. Drop offs in the side lot are discouraged. Once arrival/dismissal begins cars will not be allowed to enter/exit from the parking spaces in the front either. Traffic will not be released from the side parking lot until arrival/dismissal is complete. Students may exit cars and begin entering the building at 8:40 AM when supervisors are in place.

Walkers coming from the front of the school and all bike riders should gather at the main entrance and enter at 8:40 AM. Walkers coming from behind the school should enter with bus riders at 8:40 AM. Appropriate sidewalks and safe crossing areas should be used at all times.

We will have multiple staff members on duty the first few days of adjusting to this new routine to help assist students and parents. Thank you for helping us keep your children and our staff safe at school!!
