

Attention 4th & 5th grade Parents:

NEW PHYSICAL EXAM REQUIREMENT FOR 2008-2009

Beginning with the 2008-2009 school year, a physical exam is no longer required for 5th grade students. Public Act 95-0422 (SB 937) amends the School Code (105 ILCS 5/27-8.1) by changing the physical examination requirement for students **from** "prior to entering 5th grade" **to** "prior to entering 6th grade". It was determined that the enforcement of the 6th grade physical examination requirement will begin for the 2008-2009 school year. Current 5th grade students that received a physical examination within one year of entry into 6th grade will be compliant with this new rule.
