

# Timber Ridge Middle School PTO Membership and Volunteer Form

The mission of the Timber Ridge Middle School is to help enrich student's academic and extracurricular activities by assisting teachers, staff and administrators; provide opportunities for parental involvement and to further enhance communication between home and school.

We invite parents to join PTO by completing this membership form. Although dues are not a requirement for membership, our yearly operating budget does rely almost solely on the monetary contributions made by our members.

To join, please complete the form below, and return in envelope to school. If you contribute monetarily, please attach a check made payable to Timber Ridge PTO or cash in the amount you choose. Thank you for joining our PTO!

One more note - if you have a talent, skill, or access to free stuff (anything from balloons, candy or cool stuff for students) -Please let us know on the bottom of this form. Our form and more information are available on the Timber Ridge website: [www.learningcommunity202.org/tridge/!](http://www.learningcommunity202.org/tridge/)
