

TerraCycle is back for the 2011-2012 School Year!!

Last year was an enormous success! Many thanks to all of our students, parents and teachers for helping to raise over \$640 for Walker's Grove! This year, we continue our Brigades in hopes to **OUTSMART WASTE!!!!**

The following items will be collected during lunch times:

- Caprisun and all foil drink pouches
- Candy wrappers
- Granola and breakfast bar wrappers (all foil lined energy bars)
- Lunchables
- Chip bags
- Cookie bags (even the big ones with the plastic trays included)
- Go-Go Squeez Applesauce

If it is easier to drop off your collections directly, please call Shane Rotkis at 815-735-7680 or email me at shaney@onelink.net.

Please visit <http://www.terracycle.net> to see how this program works and how to add more Brigades (so far they offer 45 and they continue to add more all the time)

Thank you students, parents and teachers!
